

Highway 397 Resurfacing from Allan to Elstow

DESCRIPTION

The Ministry of Highways plans to resurface approximately 13km on Highway 397 from Allan to Elstow. The project also includes intersection improvements and concrete work within the Town of Allan.

The estimated cost of this project is \$9 million.

Estimated start: Mid-May 2024

Anticipated completion: Summer 2024

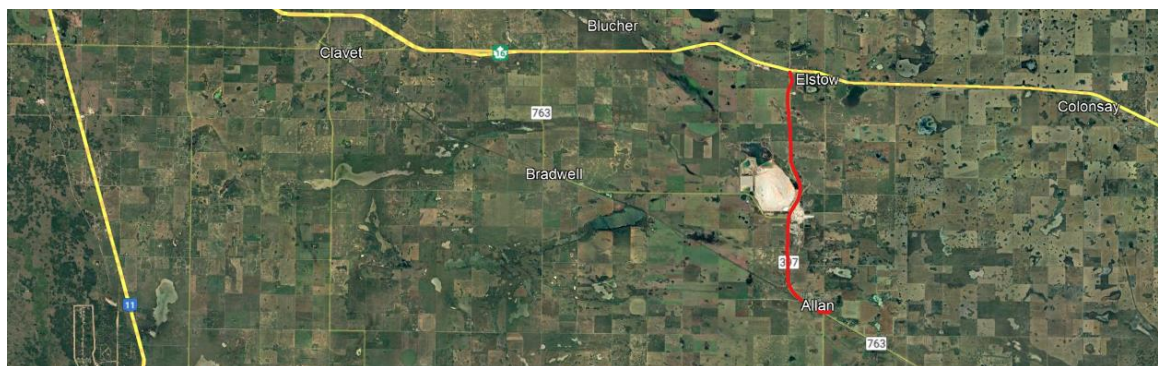

TRAFFIC ACCOMMODATION

You can expect minor delays and disruptions along Highway 397. Traffic will be reduced to one lane with restricted widths, reduced speeds of 60km/h, and delays up to 20 minutes through the work zone. Workers, mobile equipment, rough surface conditions, and construction materials will be present on the road.

Information about traffic accommodation will be available on the Highway Hotline.
