Saskatoon, SK, Canada

We invite you to our *Rooted in Community* gathering on Monday, June 15, 2026 to share your voice and make an impact in rural, remote, and agricultural health and safety!

We welcome farmers and ranchers, First Nations and Métis community members, community leaders, rural and remote health care providers, and people living and working in rural communities.

Connect, be heard, and help guide rural, remote, and agricultural health and safety research priorities in Saskatchewan and Canada, on the following topics:

RURAL AND REMOTE HEALTH

- Access to Care and Supports
- Virtual Care and Remote Presence
- Community Solutions
- Building Connections

AGRICULTURAL HEALTH AND SAFETY

- Ag Mental Health
- Health & Safety through the Generations
- Planning for Farm Safety
- Ag Health & Safety Outreach

The gathering will feature keynote speakers, breakout sessions, and information/resource booths relating to rural, remote, and agricultural health and safety.

There is no cost to attend, but pre-registration is required as spots are limited.
